**SUBMISSION OF CONFIRMATORY ISSUE FEE PAYMENT AND  
PART B OF NOTICE OF ALLOWANCE**

Mail Stop: ISSUE FEE  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

A notice of allowance form PTOL-85 issued for this application on 25 July 2007.  
A photocopy of the first page of the PTOL-85 bearing that mailing date is attached hereto  
as Exhibit 1. The 25 July 2007 PTOL-85 arrived in undersigned counsel's offices on 1  
August 2007 as indicated in the stamp of that date above the letter "Q", which  
undersigned counsel for the applicant applied to the paper as indicating its arrival.

The limiting date for payment of the issue fee was docketed the following day and such docketing was checked the same day as indicated by the "Docketed" and "Checked" stamps of Ms. Gayle Ruckstuhl and Ms. Sherry Barag respectively, both of whom are Intellectual Property Paralegals in undersigned counsel's office.

This application originated in Great Britain and was received for filing and prosecution by undersigned counsel for the applicant from a firm of British patent agents. Those patent agents authorized payment of the issue fee in an e-mail communication on 24 October 2007 sent to undersigned counsel for the applicant.

Counsel for the applicant then instructed his staff to prepare a check to pay the issue fee for this application in the amount required for a large entity and to prepare the other papers, namely the second page of the PTOL-85 required to accompany the issue fee, as well as a fee address indication form. These papers were prepared, the check obtained, and the papers were sent out with a 37 C.F.R. 1.8 Certificate of Mailing on 25 October 2007. Copies of those papers, including a copy of the front and back of the returned, cancelled check and a copy of the front and rear of applicant's returned postcard which accompanied those papers, are attached hereto as Exhibit 2.

In reviewing this file it has come to undersigned counsel's attention that the Exhibit 2 papers were sent to the United States Patent and Trademark Office before they had been signed at the appropriate places by undersigned counsel for the applicant. In that regard it will be noted that the Exhibit 2 papers do not include undersigned counsel's signature.

Submitted herewith as Exhibit 3 are a set of photocopies of the papers submitted as Exhibit 2, which have now been signed by undersigned counsel for the applicant.

These signed papers are submitted to confirm that the issue fee for this application was paid on 25 October 2007 and that, as a result, the application should issue as a United States patent in due course.

We respectfully solicit notification that everything is in order with this application, that the issue fee has been accepted and that the application will issue as a United States patent in due course.

To the extent there is any further fee required in connection with the receipt, acceptance and/or consideration of this paper and/or any accompanying papers submitted herewith, please charge all such fees to Deposit Account 50-1943.

Respectfully submitted,
